

January 24, 2017

Dear Madeleine Parents,

January, the first month of the New Year, comes from the Latin word *Janua*. It means “doorway”. Therefore, January is the doorway or entrance into a bright new beginning for the coming year! It is a time of the year when we look at ourselves and make some decisions about the way we live. As Christians, this gives us an opportunity to make a fresh new start and commitment to our Lord. This could mean setting aside more time to pray, reading the Bible, or just appreciating the many gifts He has given us.

There are four important religious feast days and celebrations during the month of **February**: **The Presentation of the Lord** on February 2; **St. Blaise** on February 3; and **Our Lady of Lourdes** on February 11. Lent begins on Wednesday, March 1, which is **Ash Wednesday**!

### **INTERNET SAFETY ASSEMBLY**

On Thursday, January 19, grades five through eight attended a special school assembly on Internet safety. A private company sponsored by the San Diego Police Foundation gave this assembly. The students found it informative and eye opening. Please talk to your child about what they learned at the assembly.

### **CONGRATULATIONS TO TWO OF OUR EIGHTH GRADERS**

We congratulate eighth grade students, **Eva Grunburg** and **Luke Schepers**, who were honored with the Mrs. Adrienne Ward Award and the Father Leo Lamphier Leadership Award, respectively. Eva and Luke received their award at the **Cathedral Catholic High School Leadership Luncheon** on Wednesday, January 11. Please see the photo of our two recipients in this newsletter.

### **CONGRATULATIONS TO OUR STUDENTS**

A big thank you goes to **our Madeleine students** who collected 150 blankets in December. These blankets were sent to St. Augustine High School and Trinitarians of Mary which were delivered the homeless in San Diego and to the poor in Mexico. Please see photo attached to this newsletter!

A big congratulations goes to our **first grade students**. Mrs. Brennan and Mrs. James' classes collected 50 pairs of pajamas for children in need during the Christmas season!

### **SPECIAL THANK YOU**

I want to thank the individuals who helped with our January open house. A special thanks goes to: **Anna Evenson, Enya Grooms, Brooke Higginson, Claire Schepers, Cindy Tran, Sean McDermott, Jenna and Erin O'Bierne**. These students passed out flyers and spoke at a variety of Masses at St. Mary Magdalene Parish, St. Bridget, Immaculata, and Our Mother of Confidence.

Another thanks goes to these students who helped with tours during open house: *Nadira Conroy, Enja Grooms, Shane Cavanagh, Jack Nasland, Shannon Smith, Lucy Bacich, Kiara and Lily Ashman, Brendon Pelayo, Olivia and Alexa Furrows, Claire de Mersier, Jordan Ho, Jamie McCoy, Eva Grunburg, and Cindy Tran*. We also want to thank *Jake Cavanagh* and *Ian Grooms*, Madeleine graduates, who returned to give tours. In addition, I want to thank *Matthew Rowland*, also a graduate, and *J.D. Watson*, who helped in the computer lab.

Thank you, also, to the parents who gave tours to our new visiting families: *Tracy Conroy, Julie Grooms, Greg Cavanagh, Heidie Nasland, Gaby Sanders, Rachel Smith, Kristine Bacich, Pamela Cosgrove, Ellen Ashman, Shelly Sutphen, and Erica Morton*.

A special thank you goes to *Nicole Santos* and *Erica Morton* for organizing hospitality on this day!

#### **RENAISSANCE STAR ASSESSMENT TESTING RESULTS (GRADES 1-8)**

Madeleine students in first through eighth grades have completed the Renaissance *STAR Assessment*, which began Monday, January 9 and continued through Friday, January 20. Students in the Diocese of San Diego take this assessment **three times a year**. The main purposes of the STAR Assessment is to provide the school with information that can be used to improve instruction, to track student growth during the school year, and to formulate intervention strategies when needed. The *Renaissance STAR Assessment* covers many of the fundamental skills your child is learning in school in the areas of Reading (or Early Literacy) and Mathematics.

Your child's *STAR Assessment* results will be included with their second quarter report card. The testing results will be sent home in **the envelope along with your child's report**. This report explains how to read and interpret your child's scores. The administration and teachers will be using these test results to assess strengths and needs of each student. In addition, a letter from the Diocese of San Diego concerning the STAR Assessment will be included with their assessment results.

#### **CATHOLIC SCHOOLS WEEK REQUEST**

In honor of Catholic Schools Week, I request that all our Madeleine students wear their formal school uniform to church on **Sunday, January 29**. It does not matter if your family attends Mass at another parish outside of St. Mary Magdalene. We want all parishioners in every parish in San Diego to recognize that Catholic school students are part of their community and are making a difference in the Catholic Church.

#### **ACTIVITIES FOR CATHOLIC SCHOOLS WEEK**

**Sunday, January 29 through Friday, February 3** is Catholic Schools Week. We would like to thank *Liz Brady, Karen Miller, Heather Pacheco, and Mike Hogan* for organizing a wonderful week of activities for the students and teachers. Please see the attached schedule for Catholic Schools Week activities in this newsletter.

#### **AWARDS ASSEMBLY**

Parents of sixth through eighth grade students are invited to our second quarter **Awards Assembly**. It will be held on **Thursday, February 2** in our parish church. Grades 4 and 5 awards will be given out in their classroom. Please contact your teacher for a date and time.

## **THE IMPORTANCE OF PSA FUNDRAISERS**

The money earned from our PSA fundraisers support the **PSA budget**. These fundraisers also build community among school families. **The PSA budget is a very important part of the financial health of the school and their efforts help translate into lower tuition for each Madeleine family!** The PSA budget also helps to pay for teacher aides, purchase extra educational materials, and assist me in accomplishing projects (new science lab, stadium seating, running track) around the school. Therefore, please be supportive of these activities! We have been very fortunate at School of the Madeleine that we have not only been able to meet our budgetary needs, but also purchase new books, add new programs, and to see improvements in our facilities. All this translates into a better education for our students!

## **JOG-A-THON**

Our annual jog-a-thon fundraiser (qualifies for your PSA fundraiser commitment) is on **Thursday, February 9**. This is the second largest fundraiser of the school year and the one that is most fun for our students. I truly appreciate **Brenda Walker and Andrea Ausland** our dynamite co-chairs, for their hard work! Brenda and Andrea have added many new prizes for our students, created a unique logo and t-shirt, and added new community sponsors.

## **THE MAIN EVENT**

Our main event committee is working hard to make this year's gala a spectacular evening. Hopefully, everyone has purchased their tickets and will generously respond to the request for donations including donating a bottle of wine. I sincerely thank all the committee members who are working so hard on this event, **which will be held at the Manchester Grand Hyatt on Saturday, March 11**. Our theme this year is "The Diamond Jubilee". **This promises to be a "brilliant and sparkling" event!** A BIG thanks goes to the individuals who are chairing our main event **this year—our "precious gems" are: Shauna Brown and Gina Petty. I am indebted to the two of you for stepping forward and chairing this vital fundraising event!**

## **SCIENCE FAIR**

We will have our annual school wide Science Fair in the parish hall on **Thursday, February 9**. First through eighth grade students will have their science fair projects on display. Parents are invited to visit and view these projects from **8:00 a.m. until 5:45 p.m.** We are proud of our students for their hard work in completing their projects. I thank **Mrs. H.** and **Mrs. Alves** for their time to organize this school wide science fair. In addition, I would like to thank Mrs. H. for her dedication and help to guide our junior high students with their science fair projects.

## **BISHOP FLORES TUITION ASSISTANCE PROGRAM**

Last year, the Diocese of San Diego started a Bishop Flores Tuition Assistance Program. Many Catholic families were awarded monetary help through this fund. If you are planning to apply, student applications were available online on **January 2**. These applications must be completed by **February 28**. You will be notified if you receive any grant money by **April**. To apply for the Bishop Flores Scholar Fund, please go to [www.bishopfloresscholars.org](http://www.bishopfloresscholars.org)

## **PRAYER REQUEST**

Please continue to pray for the Cross/Brouillette family who recently lost members of their extended family in a tragic automobile accident. This is a most difficult time. In addition, please pray for all Catholic schools.

Yours in Christ,

*Donna* 

Donna Wittouck

## THANKS TO:

*First Grade Parents*—for providing lunch on the First Friday in January.

*O'Beirne Family*—for donating basketball hoops to the athletic department.

*Quakenbush Family*—for purchasing athletic equipment for the school.

*Mr. John O'Neil*—for the gift cards given to the office staff.

## SCHOOL NEWS

January 24, 2017

### VIRTUE FOR THE MONTH OF FEBRUARY

Responsibility is our virtue for the month of February. Responsibility is the ability to fulfill obligations and commitments with grace and maturity. Being responsible gives a person the authority to act or decide on one's own, without supervision. When an individual is acting responsibly, he/she becomes accountable for their actions by keeping promises, doing what is expected, thinking of the consequences, doing their best, and being self-disciplined. A responsible individual knows others can count on them!

### Grandparents Day

School of the Madeleine invites Grandparents to share a special day with their grandchildren at school this spring. In order to plan ahead, please save the date of Friday, March 24<sup>th</sup> for that special day. 10:00 am to 12:00 pm

### **LAST CHANCE TO ORDER YOUR YEARBOOK!**

Yearbooks order forms have been sent home with your child. They are \$25.00 each. Checks made to School of the Madeleine and forms must go directly to your child's teacher by **February 1, 2017.**

**IF YOU WOULD LIKE TO ORDER A YEARBOOK, DO NOT MISS THIS DEADLINE!**

Yearbooks will not be available for purchase after the deadline.

### **VOLUNTEERS NEEDED FOR THE SCHOOL "NURSES OFFICE"**

We have LOTS of available times slots and are in dire need of parents to help in the nurse's office from 11:30 – 1:00 pm daily. Please, if you have the time, are cleared by "Live Scan" to volunteer at school, and would like to earn service points please sign up! No experience necessary!

<http://www.signupgenius.com/go/60b0544aca22a31-nurse5>

***"Be who God meant you to be and you will set the world on fire."***

The Office of Religious Education is pleased to offer our second Endow Women's Study. We will be studying **Saint Catherine of Sienna**. In her mere 33 years she left such a rich legacy that she is named a Doctor of the Church. We will study how she used her 'feminine genius' to address the problems God put before her.

Please join us for this six-week study beginning on Thursday, February 9<sup>th</sup> in the Saint Francis Room from 6:30 PM – 8:30 PM. If you'd like to attend, please register for the class beforehand and purchase a study guide at this link: <https://store.endowonline.org/diane-kenney-p3457.aspx> If you have questions regarding the class or accessing the link, please contact Diane Kenney at [diane.kenney@att.net](mailto:diane.kenney@att.net)

### **COLLECTION FOR CCSA**

St. Mary Magdalene Parish is asking for donations of non perishable food items in cans or professionally prepared & sealed packaging (no glass) for the Community Christian Service Agency. Most requested items include: canned tuna, peanut butter, mac & cheese, vienna sausage, soups, spaghetti sauce, dried pasta, canned and dried beans, canned fruits and vegetables, boxed juices and bottled water. We ask that Madeleine families bring their donations to the office or drop them off at the rectory between 8:00 am and 4:00 pm

# January Class News

## Kindergarten

Happy New Year! It's wonderful to be back in school. Kindergarten made our New Year's Goals for 2016, and we are working hard to achieve them.

This month in religion, Kindergarten learned about the Epiphany and the special gifts we can bring to Jesus today. We also discussed the Baptism of Jesus and shared about our own Baptisms. We read stories about Jesus' life from the Bible to learn how we can live more like Jesus.

This month in Practical Life we have learned about the Arctic and Antarctica, and the animals that live there. We are now learning about sea life. We read stories about Dr. Martin Luther King Jr. and drew beautiful portraits of Dr. King.

All of the students are making great, steady progress in the reading room and enjoying checking off the boxes on their reading cards and moving to the next level. Some students have even begun their first reading workbook! It is exciting for us to see their progress and even more exciting for them to experience reading! We thank all of the Reading Room volunteers who help make the progress possible!

## FIRST GRADE

As we begin 2017, we are very busy once again! Our Christmas break was very restful, and prepared us for all the activities of the second half of the school year. The children returned to school more mature, and more at ease with the learning experience! They are reading books on their own, and are developing independence, and good study habits. This month we had a very successful Open House! Our visitors were very pleased to see the skill level, and the amount of work first grade puts out! We will be preparing for the Science Fair! The children are excited to spend a few days observing the process of Osmosis, and recording their data! We celebrated Dr. Martin Luther King Junior's Birthday this month. The children learned about his "Dream", and his great courage to bring "Peace" between all men, without violence! They especially enjoyed learning about the part of his message, that all men are created equal in the eyes of God! In reading we are learning about contractions, and compound words, and to recognize them in the written word. In math we are learning how to read various types of graphs, and to use different strategies in problem solving. Most important, the children are learning how to laugh at themselves, brush themselves off, and to "carry on!"

## Second Grade News

January has been another busy month for second grade! We have been preparing for our Sacrament of Reconciliation. In Math, we finished our unit on adding two-digit numbers and started subtracting with two-digit numbers. In Social Studies, we have been learning about geography and map skills. In Science, we are studying force, gravity and magnets. We are very excited about our Science Fair projects and are eager to share what we have learned. In writing, we researched Penguins and wrote informational reports about Penguins. Second Grade really enjoyed watching the play "Lyle, Lyle Crocodile" on our field trip to the Junior Theater! As we continue to read, we are becoming better and more fluent readers. Second grade wishes all Madeleine families a blessed and happy 2016!

### **3A and 3B News**

This month we've been working on cursive. We've learned all our lower case letters. In art, we have been working on our self-portrait and a piece called Story Rainy Day. We are leaning our multiplication facts and measurement in math. We are looking forward to Catholic School's Week. We hope to have a lot of fun in 2017!

### **4A and 4B**

What a busy but fun month we've had. We had a great time building our missions. Thank you so much to the parents that volunteered their time and talent. Thanks also for donating the supplies. We couldn't have done it without you! If you get a chance, please stop by the classrooms, library, and office hallway and take a look at them. We also enjoyed our field trip to Mission San Luis Rey. It was interesting to hear about the daily lives of the local Indians and the Spanish missionaries.

We have been working very hard in math to perfect our multiplication skills. We are also learning about fractions. In science, we will be working on our science fair project.

For the next several weeks, we will be discussing the Ten Commandments and the Beatitudes in religion.

### **FIFTH GRADE**

Happy New Year 5th grade families!! We all hope you had a wonderful break. January starts off with a bang and lots to learn. Our semester will be closing shortly and onto third quarter already. The students did a wonderful performance for the Christmas show and spread some holiday cheer. Thank you to all that donated blankets before the break, they were delivered and warmly received. We hope that 2017 brings good health and happy hearts to all.

### **6A & 6B**

Sixth grade is hard at work in the new year! Our recent religion studies have focused on the similarities between Catholic and Jewish ways of worship. In addition, we have discussed sin and free will as well as how to make difficult choices using the guidance of the Holy Spirit. We are reading different types of nonfiction in literature while focusing on author's influence and purpose. We have begun writing expository "how-to" essays on topics of our choice. In science, we are working in small groups to investigate various types of minerals. We will discover answers to questions about where our particular mineral is found, how it is formed, and what qualities our minerals possess. Our study of history has taken us to Ancient India and we are deepening our knowledge of this rich culture. We are currently learning about the origins, beliefs, and spread of Hinduism and Buddhism so that we can better understand the past. We look forward to celebrating Catholic education during Catholic Schools Week!

# Junior High

## Greetings from 7A & 7B....

Since returning from our Christmas break, seventh grade has been in full swing. In social studies we learned about the Incas and are now studying the Aztec people and culture. We are doing a short story unit in literature and reading some really good stories. In honor of Martin Luther King Jr's birthday, we created collaborative class posters of Dr. King. Stop by our classrooms to check out our handiwork! We participated in an interesting presentation given by the San Diego Police Foundation on Internet safety; we learned a lot about protecting our online identities. In math 7 we are studying ratios and in advanced math we are learning about polynomials. In English we are learning about adverbs and adjectives and how they modify words. In science we are continuing our mastery of the microscope by examining protists, including amebas, paramecia, and euglena, as well as bacteria from the archeabacteria and eubacteria kingdoms. Next up is our study of fungi. Our Science Fair Boards are due on January 25, 2017. Extra credit points to any ambitious student who completes the project early and brings it in! In Religion we are studying virtues and how we can live a life based on respect for God, others, and ourselves. As we start the 3<sup>rd</sup> quarter, please do a supply check and restock pens, pencils, etc. Lots to look forward to in the upcoming weeks. We are happy to be sponsoring a goat on jeans' day and look forward to Catholic Schools Week as well as the next junior high dance!

## *Eighth Grade News*

This month has been filled with fun activities and lots of valuable learning. Many of us took our placement test at one of the three Catholic high schools on January 21<sup>st</sup>, and we're looking forward to meeting with the administration for an interview in the next few weeks. We're all very excited about receiving acceptance letters!

We are all also very excited for Catholic Schools Week and all of its crazy activities. As we start the final semester of our time here at the School of the Madeleine, we are working hard to finish strong and make our families and ourselves proud of what we have accomplished.

# **Catholic Schools Week Itinerary**

## **Monday- Celebrating VOCATIONS**

- Students wear their favorite Madeleine or sports jersey (jersey must have sleeves or must have a t-shirt underneath) with uniform bottoms
- Make Father Steve a card
- Door decorating contest commences- one winner is picked from kindergarten, one winner from first through fourth grade, and one winner from fifth through eighth grade. Winners receive an ice cream party.  
(Theme- Faith, Knowledge, and Service)
- Start collecting socks, scarves, mittens for Casa
- Student council will pick up Casa collection daily around 8:30 am
- Prayer service dedicated to Father Steve and Mary Magdalene (1:15-2:15)
- Father Steve talks about his vocation

## **Tuesday- Celebrating STUDENTS**

- Duct tape competition- Students drop off in the morning in front of 6A (make sure it is labeled with name and grade). Student council will judge at lunchtime
- Students wear pajamas to school- see attached guidelines sent out in child's classroom
- Classes present a dance / Christian Living Awards (1:15-2:15)
- Return to classrooms and popsicles will be distributed by room moms
- No homework- this is a perfect time to spend some quality time with your family and make it a "family night."

## **Wednesday- Celebrating FACULTY, STAFF, & VOLUNTEERS**

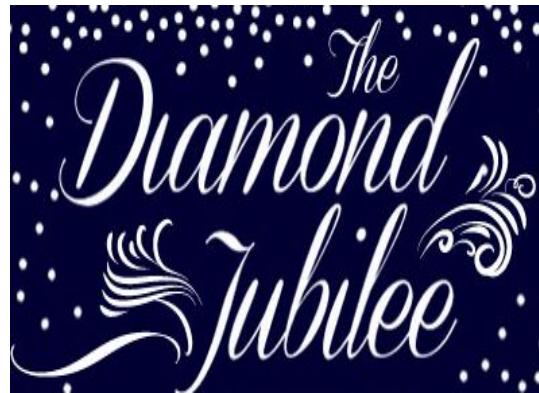

- Students wear Disney-themed clothes, costumes, accessories to school
- Make a card for your favorite teacher, staff, etc.
- Lunch provided for teachers
- Doors need to be finished and displayed by Wednesday afternoon

## **Thursday- Celebrating FAMILIES**

- Make a card for parents
- Doors will be judged by student council Thursday morning

## **Friday- Celebrating OUR COMMUNITY**

- Mass presented by second grade
- Student council wraps up CSW
- Student council announces winners for door and duct tape competition Friday after announcements

Dear Parents and Friends,

It's hard to believe that the Main Event is less than two months away!

Tickets are selling quickly! If you have not already done so, this is the time to make sure to get your tickets! To those of you that have already purchased your tickets, we are so grateful for your support and look forward to seeing you at the event.

We are very busy behind the scenes working hard to make sure the event is a great time for everyone. Our procurement team has worked tirelessly to acquire many different and exciting items! Keep eyes on your email for "sneak peeks" coming each week.

We still need your help and your efforts translate into service hours! We are requesting BevMo gift cards, Visa gift cards, vacation home rentals, and unique experiences. Any and all ideas are welcome!

If you are a School of the Madeleine Family business owner, or if you work for a company that would be willing to donate, sponsor or underwrite our event, please reach out to us! All donations are tax deductible. If you know of someone who might donate, but you're not comfortable reaching out to them, please let us know. We are happy to communicate with your contact on behalf of the School of the Madeleine. Donations can be made online at <https://schoolofthemadeleine.ejoinme.org/sponsorshipdonations>.

We are also soliciting volunteers to assist with various projects for the Main Event. The link below is a good place to start if you still need service points for your orange card!

<https://schoolofthemadeleine.ejoinme.org/volunteer>

For additional information or questions, please visit [www.madeleinemainevent.com](http://www.madeleinemainevent.com) or contact Gina Petty or Shauna Brown at [Madmainevent@gmail.com](mailto:Madmainevent@gmail.com).

Happy New Year!

Gina Petty and Shauna Brown – Main Event Co-Chairs

# Catholic Schools Night

The Office for Schools in the Diocese of San Diego Invites You to Celebrate Catholic Schools Week! The Gulls are set to take on the Ontario Reign on Saturday, February 4 at 7:00pm. Join your fellow San Diego Catholic School Students and cheer on the Gulls to victory! Tickets start at \$17 each with the option to add on a Gulls hat for \$3!

Limited lower bowl tickets are available starting at \$31. We look forward to seeing you there!

February 4, 2017 | 7:00pm

To order your tickets please go to [www.sandiegogulls.com/catholicschoolnight](http://www.sandiegogulls.com/catholicschoolnight) and complete the provided form. After submitting the form you will receive your tickets to the email you provided within 48 hours. If you have any questions or special requests, please contact Melissa Werman at 619-359-4716 or [mwerman@sandiegogulls.com](mailto:mwerman@sandiegogulls.com).
