

May 23, 2017

Dear Madeleine Parents,

This is Our Lady of Fatima 100th year anniversary. The apparition of the Blessed Mother first appeared to three shepherd children on May 13, 1917 and then again, on the 13th day of every month for the next five months in Fatima, Portugal. She asked the children to pray for peace and delivered several messages to them. On the last visitation, with an estimated 70,000 witnesses, there was what was called the “sun miracle”. The main message of Mary at Fatima was for us to pray for the Consecration of Russia to the Immaculate Heart of Mary so our world would have peace.

There are **Six important feast days and celebrations** during the month of **June**: **The Most Holy Trinity** (Sunday) on June 11; **St. Anthony of Padua** on June 13; **The Most Holy Body and Blood of Christ** (Corpus Christi Sunday) on June 18; **The Most Sacred Heart of Jesus** on June 23; and **St. Peter and St. Paul, Apostles** on June 29.

There is another important date to remember in June: Pentecost Sunday is on **June 4**. It signifies the end of the Easter season and is considered the birthday of the church. It celebrates the descent of the Holy Spirit to help comfort the followers of Jesus and give them the strength to go out to preach the “Good News” to the world! As Disciples of Christ, we all should ask the Holy Spirit to enter our hearts to be good witnesses to Christ, Our Savior, and the Gospel message.

COACHES FOR 2017-2018

We are currently looking for coaches for the 2017-2018 school year to help with all teams. Any parent interested in coaching a sport next year, please call Coach Stabile in the P.E. office at (619) 276-6416. All coaches and assistant coaches must be cleared through the **CMG Connect Background Check**. See Marlene Ricci in the school office. This must be done before the first practice. The Athletic Department will pay for the clearance.

MISSING SPORTS UNIFORMS

Parents, please check your home for School of the Madeleine sports uniforms. We are missing a number of them. They all need to be turned into the P.E. office. Thank you.

*****LUNCH TRUCK**

We are very fortunate to have a lunch truck every day at School of the Madeleine. This service provides a variety of menu choices for our students. Mrs. Coleman, Mrs. Ricci, and myself monitor and disperse the food to the students on a **daily basis**. We will not allow any student to purchase inappropriate selections of food. However, it would help us greatly, if you have specific preferences of food choices for a young child to **write a note or put those choices on the outside of the money envelope**. Have your child bring this note to the lunch truck. This will ensure that your child will only receive what you want them to have. If you have any questions or concerns, please feel free to contact me directly at any time.

YEARBOOKS

Our school yearbooks will soon be here! Please remind your child to sign appropriate messages in this book. Inappropriate messages will result in confiscation of the yearbook. The offending child will be required to replace the yearbook and a suspension may occur. Yearbooks will be passed out to our **eighth graders during the week of May 29th**. All other students will receive their yearbook during the **last week of school**. We thank *Mrs. Meg Alves, Mrs. Debby Ferrante, and Mrs. Ann-Dee Moore* for their hard work putting this yearbook together.

NURSES OR FIRST AIDE CERTIFIED INDIVIDUALS NEEDED

We are in desperate need of RN's, LVN's, individuals with first aide certificates, or anyone who knows how to compassionately clean a scraped knee to volunteer in the nurse's office. The hours are between 11:30 a.m. and 1:00 p.m. for school days in June and for next year. You can work one day a week or several days a week. Please call Tara Lopez in the school's office for more information at (619) 276-6545.

INFORMATION DURING AN EMERGENCY

In any emergency situation, the school will keep the Madeleine community informed in three ways: our Madeleine emergency alert text system, through room parent emails, and on our website. The most effective of these three systems is the emergency text alert system. These messages come straight from me to you and do not rely on the room parent coordinators to contact each room parent who then contacts each family in their child's classroom.

To **sign up for our Madeleine text alert system**, all you have to do is go to our Madeleine webpage and click on the red alert button on the top left hand corner and follow the prompts. Please make sure that you complete the entire process by finding the "Communication Tab", clicking on "managing phones", and entering your cell phone number. Verify that your status states that your **phone is active!** Then, go to "text alerts" to check the box where it says "Madeleine families". Please remember to click on the save button to complete the process.

TO STOP RECEIVING TEXT ALERTS

For eighth grade parents who are leaving our Madeleine family and wish **to be removed** from our Test Alert System, you must follow the steps below. Unfortunately, the school cannot delete your information because this is a system that follows U.S. marketing association privacy rules. To opt out of the text alerts, you have to log into your account and delete the school from your list (it may be the only one there).

Go to:

1. <http://www.leaguelineup.com>
2. Click on the top right-hand corner where it says "My LeagueLineup".
3. Log into your account. (If you forgot your password, use the password help feature).
4. Once in your account, Click the "My Sites" tab.
5. You will see School of the Madeleine under Organizations.
6. Click the red X to the right, and you'll be off the list.

SPECIAL THANKS

A special thanks goes to Juliet Coniff who has been organizing our uniform exchange for the past few years. Juliet, we appreciate your dedication and commitment to making this program so successful! We appreciate all you have done!

PRAYERS REQUESTED

Please pray for our Madeleine community members who are ill. We ask that our Lord and Savior bless them, their families, and give their doctors discernment.

Yours in Christ,

Donna

NEWS FROM THE LIBRARY

It's that time of the year again! Look for those misplaced books under the bed, behind the bookcase, or in the dog's house! Let's work real hard to get ALL our books returned to the library this year so no one needs to pay a lost book fine. But, if you cannot find your book... we'll gladly take your money. Any and all funds collected for lost books are used to replace those books or buy new titles. Keep reading over the summer. Practice makes perfect!

May Class News

Kindergarten Grade

Wow! We have only a few more weeks to go until Kindergarten graduation, which is on Thursday, June 8th at 10:30 am. We are learning our song and dance routines, and we know you will be proud of us.

This May we have studied Mary in religion. We have been praying a decade of the rosary each day and held our May Crowning Ceremony as well. Thank you Mrs. Wausen for helping us do such a beautiful job on the rosaries we gave to our mothers.

In practical life we worked on special projects to honor our own special mothers. We have learned about the plants and animals that live in the rainforest and desert. We also found out where these habitats are located in the world and the climate and rainfall in those areas. We read about America's signs and symbols; the bald eagle, the Liberty Bell, the Statue of Liberty, and the American flag. They show that our country is strong, courageous, free and friendly.

We are adding and subtracting in math by using our fingers, manipulatives, and just memorizing them. We should all know our addition facts to 5 from memory.

Thank you all parents and grandparents who volunteer in the reading room. We appreciate all you have done and are grateful for your continued help as we reach these last weeks of school. Our readers are anxious to get as far as they can before the end of the year.

Our great progress in the reading room is helping us become better writers! We are working hard on sounding out long- and short-vowel words, using writing conventions (end punctuation, capital letters, and finger spaces between words). We are also writing more detailed sentences and revising our own work.

First Grade

May has been such a beautiful month, devoted to the Blessed Mother! We had a beautiful "May Crowning!" The second graders looked so angelic! The 8th graders were very prayerful! Mary looked like she was going to speak, after her glorious crown was placed on her! The first graders were in awe of all the beauty that surrounded them!

First grade is looking forward to a wonderful, and educational trip to Birch Aquarium! The children have shown so much growth, in all areas, in the past few months! They have become avid readers, and thoughtful writers! They have become confident, and independent!

Second Grade

The second grade classes have had a very busy year! After receiving our First Communion, we spent many days preparing for May Crowning with our eighth grade buddies. May Crowning was beautiful as we came together to honor our Mother in Heaven, Mary. We are so proud of our students for being such holy examples to the rest of the school community. We are thankful for the opportunity to celebrate Mass more fully by taking part in Communion and becoming closer to Jesus our Savior.

As our school year begins to wind down, we continue to study and work hard. In Math, we are learning about Place Value to the thousands, adding/subtracting 3-digit numbers, and Fractions. In Science, we are continuing to study the Solar System. We are also focusing on the human body and how to keep our bodies healthy. We have come so far in both our reading and writing skills. As this school year comes to a close, we wish each of you many blessings over the summer!

Third Grade

We worked hard to meet our 50 Mile Club and Renaissance Reading goals. We went on a field trip to the Stehly Farm. We had a wonderful time! We honor the Blessed Mother this month by adoring her with flowers and praying the rosary. We are offering prayers for our special intentions throughout the day. We are looking forward to summer vacation!

Fourth Grade

We can't believe that this year is almost over and that we will soon be fifth graders! We have been busy learning many new things. We are learning geometry and measurement in math and adverbs in English. We are learning about volcanoes in science and about the growth of early California in social studies. We are looking forward to our Old Town field trip! We will dress up like a California historical figure and tour the many historical buildings.

Fifth Grade

Welcome Spring! Our 5th graders completed their highly anticipated states and capitals test. Wow are they great! We are finishing all of our texts and looking forward to summertime. We did group projects about the Solar System and they came out great. Our participation in May Crowning was heartfelt. We are enjoying the last few weeks with these special students.

Sixth Grade

Sixth graders are excitedly preparing to finish their year on a strong note. In our religious studies, we are learning about Jesus' teachings on prayer and about the Works of Mercy. We worked in groups to research and present projects about Greek heroes and their influence on today's society, and we are currently researching Greek gods, goddesses, and the myths pertaining to them. We have entwined our study of Ancient Greece with art by creating Greek pottery drawings and designs. In literature we are focusing on the oral tradition of myths, fables, legends, and other folk tales. We wrote our own fables while including a universal theme and moral. Sixth grade scientists are floating from our studies of the various parts of the ocean to storming into extreme weather!

Seventh Grade

Seventh grade recently took a service-oriented field trip to the San Diego Food Bank. We were tasked with bagging apples. During our few hours at the food bank, we bagged 19,000 pounds of apples—9 ½ tons! We enjoyed working together and are grateful for the opportunity to do our part to do Jesus' work on earth by feeding the hungry.

Back at school, we have been so busy wrapping up the school year. In social studies we are studying Medieval Europe. We have recently finished a unit on poetry, and are now learning about non-fiction text in literature. In religion we are studying the 7 Sacraments in great detail. We completed our study of the Sacraments of Initiation and Healing and are currently learning about the Sacraments of Vocation. In Science we are wrapping up our unit on the Nervous System and Senses and next body system is the Urinary System. After we complete our study of the human body we will start our unit on animals. We are looking forward to our trip to the San Diego Zoo on Monday, June 5th. This will complete our study of mammals, birds, reptiles, and amphibians. The year is flying by and it is hard to believe 7th grade is over in just a few weeks! In the mean time, we will continue to work hard.

Eighth Grade

The 8th grade is starting to wrap up our studies at School of the Madeleine and is getting excited for the end of the year! Now that we have finished preparing for May Crowning, our next major celebration is graduation! In religion, we have been preparing banners for our graduation Mass that represent who we are as individuals.

In literature and English, we finished two major projects for the year. In literature, we presented reports on some of our favorite forms of media. In English, we were responsible for teaching the rest of the class one element of punctuation. Both projects were great opportunities for creating presentations for our peers.

In social studies, we have finished the Civil War chapters and are starting to learn about Reconstruction. In Science, we are finishing our study of physics with information on space, our solar system, and the Milky Way Galaxy. In Math, we have been studying for our finals and have been finishing our discussions of probabilities and exponential growth.

This school year has been long and rewarding, and we are thankful for everything the administration, teachers, and staff have done for us!

August 8, 9, 10

After the training we will then assign the new altar servers to serve the weekday and Sunday mass with a senior altar server.
